

FEEL EXHILARATED. JUST LOOK AT IT.

The Rio was designed to excite. This is performance with a pretty face. The sporty look is highlighted by integrated fog lamps and aggressive wheel arches.

What starts on the outside, finishes on the inside. Your fists will tighten on a thick-rimmed, three-spoke steering wheel that is tilt-adjustable. Always keep your eyes on the road, but when you want it the impressively laid out instrument cluster will give you all the information you need.
